Now we come together in worship and expectation.

Above all else, we lift high the name of Jesus — the only One who brings true revival, healing and hope.

A COUNTDOWN TO

REVIVAL AT THE RYMAN

21 DAYS OF PRAYER

In the days leading up to Revival at the Ryman,

we invite you to join believers across Nashville in 21 days of focused prayer.

Prayer has always been the starting place for every move of God. We would be honored if you would join us in seeking the Lord — pouring out our hearts and believing for spiritual awakening.

Over the next three weeks, we will lift our prayers across three key areas:

- Renewal in hearts and lives
- Strength in the Church, families and communities
- Wisdom, justice and transformation in our nation

Each day offers a simple focus to guide your prayer time. Take a few moments to seek the Lord in these areas, allowing the Scriptures to shape your prayers and expectations.

Let us seek the Lord together as we prepare for all that He desires to do.
